Please Note:

Insurance is a contract between you and your insurance company. For patients with dental insurance, we are happy to work with your carrier to maximize your benefit and directly bill them for reimbursement for your treatment. However, our contact is with you- not your insurance company. Our staff cannot be responsible for reimbursement for knowing all the terms and limitations of the many policies of our patients. It is your responsibility to familiarize yourself with your dental care policy and beware of any uncovered charges or limitations of your plan.

Aesthetic Dental Arts PC requires payment at the start of your treatment. Please be prepared to pay you deductible and any estimated amount not covered by your insurance plan at the time of your visit. Payment in full is required for all dental plans who reimburse the subscriber directly. For larger, more comprehensive treatment plans of \$500 or more, a 50% deposit may be required to secure your initial treatment appointment. If you choose to discontinue care before treatment is complete, your refund will be determined upon review of your case.

For plans requiring multiple appointments, alternative payment arrangements may be provided.

Our office requires 2 business days notice to change or cancel an appointment. We reserve the right to charge for each broken/missed appointment.

Aesthetic Dental Arts, PC assesses a charge for all non-sufficient funds checks.

We reserve the right to transfer any credit balance to other family members with outstanding accounts.

Patients are responsible for all charges whether or not paid by insurance. Unpaid balances over 90 days will be processed through a collection service and the patient will be responsible for any additional collection charges.

I have read and fully understand the above financial policy.
